

Privacy:

Our website uses 'cookies', which are text files placed on your computer when you visit a website, to help us understand how our website is being used. Cookies don't collect personal data from your computer: they only collect data about your browsing. Some cookies remain on your computer after you leave the website; these are called 'persistent' cookies. Others are deleted automatically when you close your browser, and others simply expire. We use the following cookies on our website:

Analytics cookies and advertising cookies set by Google Analytics

We collect non-personally-identifiable information relating to your use of our site via Google Analytics technology. This may include: which pages you see; how long you stay; what you click on our pages; if you visit our website again; which country and city you are browsing from; etc. This data is collected for the purpose of monitoring and understanding the effectiveness of our website. We also collect data relating to the demographics and interests of our users via Google Analytics and cookies set by Google advertising networks. This data is used in aggregated form to help improve the site and Discover Materials' communications.

To specifically opt out of Google Analytics cookies, visit <https://support.google.com/analytics/answer/181881> to install an opt-out browser tool.
